**August 2025 – December 2025**

Professional Foundations

**Technical University of Mombasa** – Kenya

**Graduated: December 2020**

Diploma in Information Communication Technology, Credit

Through my years at TUM, apart from academics, I was involved in various activities including give-back community programs and problem-solving communities and/or organizations that sought to solve real-world problems with working solutions.

**Kenyatta High School** – Mwatate, Taita Taveta, Kenya

**January 2013 – December 2016**

KCSE

## WORK EXPERIENCE

---

**Quickkopa Micro Enterprises Ltd** | Intern

**January 2024 – June 2024**

Kilifi, Kenya

- Worked with a small team, leveraging Typescript, React and Tailwind to construct a responsive, semantic website with efficient, clean code.
- Strengthened cohesive project execution and adherence to best practices.

## VOLUNTEER ACTIVITIES

---

### Community Health Volunteer (CHV)

March 2017 – Present (when available)

Mialeo CDF Health Centre – Mombasa, Kenya

- Served as a Community Health Volunteer supporting public health outreach programs in my local community.
- Distributed preventive medication for **elephantiasis (lymphatic filariasis)** and participated in nationwide **polio prevention campaigns**.
- Conducted door-to-door sensitization to educate households on disease prevention, hygiene, and the importance of immunization.
- Played a key role in increasing community awareness, improving treatment coverage, and strengthening trust between health workers and residents—directly contributing to better public health outcomes in underserved areas.

## SKILLS

---

- Basic Design Thinking and Entrepreneurship Skills
- **Programming Skills:** Proficient in HTML, CSS, Tailwind CSS, JavaScript, TypeScript, Next.js, React, React Native and MySQL
- **Tools & Platforms:** Git & GitHub, Netlify, Visual Studio Code, Postman
- **Technological competence:** Adobe Illustrator, Adobe Premiere Pro, Adobe Photoshop
- **Soft Skills:** Teamwork, Communication, Problem-solving, Adaptability

## INTERESTS

---

- **Tech Projects:** Enjoy building functional websites and web apps
- **Reading & Research:** Passionate about learning new technologies and staying updated with trends in front-end development and digital innovation in Africa.
- **Volunteering:** Active in supporting local businesses with basic IT solutions and digital literacy, contributing to community development.
- **Walking & Wellness:** Active member of the Mombasa Walk Movement, a local walking club that promotes health, community bonding, and environmental awareness through regular health walks.

## NOTABLE PROJECTS
